

Girl Scouts Forever Green: REDUCE PLASTIC WASTE

Waste? Not!

Americans tossed out more than 2 billion plastic water bottles and 8 billion plastic bags last month.

How many did you throw away?

This February, make a difference.
REDUCE PLASTIC WASTE.
Join Girl Scouts around the country by using reusable bottles and bags.

And make a commitment. Take the Girl Scouts Forever Green Pledge, www.girlscouts.org/geforevergreen

Please return this bag to a participating store for recycling.

WARNING: TO AVOID DANGER OF SUFFOCATION, KEEP THIS BAG AWAY FROM BABIES AND CHILDREN. DO NOT USE THIS BAG IN CARS, CARRIAGES AND PLAYPENS.

Did you know that only 1% of plastic bags are recycled? The rest end up in landfills and oceans, where they take ages to decompose.
