## Service Team Best Practices: Preparing for a Successful Year

- Schedule Service Team meetings ahead of time for the year (see last page for details).
- Schedule Service Unit leader meetings ahead of time for the year (see last page for details).
- Who will share meeting schedule with leaders and how (via FB, email, mail, etc.)?:
  
- How will the Service Team members communicate with each other? (e.g. ST FB Group, email, shared Google docs, etc.)
  
- How will the Service Team plan leader meetings and who will lead them?
  
- Does the Service Unit have a borrowing library with a list of what is available? If so, how is the list shared with troop leaders?
  
- Does the Service Team have any Girl Members? If not, do you have a plan for including them?

## Community Engagement: Share the Girl Scout Experience
