Girl Scouts of Maine

Daisy Girl Scout Award Record

When the girls have learned the Girl Scout Promise, they may receive the Girl Scout Promise Center, a patch that can be places right in the center of the Daisy tunics. Then, as each girl gains a basic age appropriate understanding of each part of the Girl Scout Law, they may receive a Daisy learning Petal. These are places around the Promise Center in any order determined by each girl. Learning Petals may be learned in any sequence, but Daisy Girl Scouts should show some understanding of the concept in order to receive the Learning Petal

List each girl's name in a column and when she earneds the award put a check by that row. After she receives the award, put a plus beside the √. See sample in the first column.
