

# 7 Steps to Bronze

## Step 1

### **Build your Girl Scout Junior team**

Your team is you and other Girl Scout Juniors who are on this adventure together, plus your troop/group volunteers.

## Step 2

### **Explore your community**

Take a close look at what's going on right around you. Start by exploring your community: your block, your neighborhood, or your school. Keep your eyes open for ways you can make a positive change.

## Step 3

### **Choose your Bronze Award project**

Research your team's top community issues, discover root causes, and decide which issue interests you the most.

## Step 4

### **Make a plan**

Now that you've chosen an idea, it's time to make a plan. Work out your budget, goals, and who else you might need to help with your project.

## Step 5

### **Put your plan in motion**

Now that you have an overall plan, it's time to make a list of tasks and figure out who will be doing what. Remember, you're a team, so one or more girls can volunteer for each task.

## Step 6

### **Spread the word**

Think about what you did, why it mattered, and what you learned. Put your story together so that you can share it with others!

## Step 7

### **Celebrate**

Be sure to celebrate what you've done. Not only have you had a great adventure, but you've helped create a better world!
