

Create,  
experiment, and  
explore all from your home!

Check out [Girl Scouts At Home](#) for these videos and more!

# Girl Scouts at Home!

## Using Resources Wisely

- ◆ **Cans and Communication** – Make your own tin can telephone and learn about sound!
- ◆ **How to Make Your Own Cleaners** – Make your own natural household cleaners.
- ◆ **Milk Jug Ball Toss** – Get active! Use milk jugs to make your own fun toss game.

## Make the World a Better Place

- ◆ **Bliss Box** – Investigate what makes you happiest so you can bring positivity to others.
- ◆ **Seed Harvesting** - Use the seeds from this year's vegetables to grow next year's garden.
- ◆ **T-Shirt Dog Toys** – Want to help your local shelter? Make some dog toys from old t-shirts.

## Green ME Up – Sustainability Activities

- ◆ **Paper Scientist** – Learn all about paper with this patch for Juniors and Cadettes!
- ◆ **Reusable Bag** – Create your own reusable bag out of an old t-shirt!
- ◆ **Compost in a Bottle** – Start your own compost to positively impact the environment.

## GSUSA – Girl Scouts At Home

- ◆ Want to get started on earning some badges? Check out [badge videos](#) for your level to get you on your way!
