To pay for badges, pins, and awards earned by Girl Scout Juliettes or to request money for a Girl Scout Juliette's annual membership registration fee, uniform, GSLE program materials, registration for Girl Scout events, or a community service project (receipts must be attached), [submit this form](#). All requests for financial support to help pay for a Girl Scouts of Maine program opportunity or community service project will be processed on an individual basis, and with the following considerations: the cost of the program, the amount of money already given to the applicant from the Juliette Fund, the amount of money available in the Juliette Fund, the number of girls requesting financial support, and how active the girl member has been. (Note: Requests could be denied or the amount granted less than requested.)
