

Treasure ME! Patch Program Town List

From its beaches, to potato fields, to the rocky coast and majestic mountains, Maine's geography is as rich as it is diverse. Another Maine "treasure" is our Girl Scouts who, through their courage, confidence, and character, contribute so much to the quality of our lives. For these reasons and to encourage travel throughout the state, Girl Scouts of Maine is introducing the Treasure ME! Patch Program. Girls simply attend a council-sponsored program, whether it is one-of-a-kind, listed in multiple locations, or at one of our camps, and they will be eligible for the portion of the patch that represents that area of the state.
