

Troop Photo Release Form for Minors

October 1, 20__ – September 30, 20__

I, being the parent/guardian of _____, hereby consent that the videos, photographs, electronic images and/or audio recordings of my child may be used by Girl Scout Troop_____ for publicity purposes. This includes submissions to Compass, social media, etc. I understand that her last name and residence will not be utilized for any reason without my prior knowledge. I will inform my troop leader if I wish to revoke this permission.

PLEASE NOTE: This photo release is intended for Troop Leader use only and may be used at the Troop Leader's discretion. Girl Scouts of Maine council obtains photo usage permissions during the member registration process. This photo permission is stored in each member's official membership record, which can only be updated by a staff member.

What does this mean? If a council staff member is taking photos at an event, and a girl member does not have photo permission on her official member record, council staff may reach out to the parent/guardian ahead of time, and will take care to avoid the girl in the photos.

If there are any questions regarding photo permissions, or you would like to update your photo permissions in a member's official record, please contact Customer Care at customercare@gsmaine.org or 888-922-4763.
