

Reimbursement Application For First-Aid and/or CPR Training

Girl Scouts of Maine provides financial assistance to help defray up to one-half the cost of attending first-aid and/or CPR training (up to \$40) for one troop adult.

To request a reimbursement, fill out the information below and email this document to customercare@gsmaine.org.

While many volunteers are both willing and financially able to personally pay the remaining half of the cost of training, others are not. If you would like to be reimbursed for the remaining half of the cost, you may deduct it from your troop account after completing the course.
