

Juliettes and the Girl Scout Cookie Program

Dear Girl Scout Caregiver

Did you know that as a registered member of Girl Scouts, your girl can earn badges and learn essential life skills through in the Girl Scout Cookie Program?

By participating in the Girl Scout Cookie Program, your girl can experience amazing adventures to help broaden her world—a trip she'll never forget, a service project that will change her community forever, or the opportunity to learn, grow, and build a lifetime of memories at camp. She can even earn her Cookie Business and Financial Literacy badges!

The money earned from her cookie sales is placed in a special fund just for Juliettes, individually registered girls who work on their own either by choice or while waiting to be placed in a troop. She may use the fund to cover any Girl Scout badges and pins she has earned or for Girl Scout trips and events.

The 2024 cookie program allows girls the opportunity to sell cookies in person and/or online. If you would like your Juliette to participate in the 2024 cookie program, you must contact productsales@gsmaine.org to sign up. Additionally, we need a Juliette Annual Permission Form for this Girl Scout year on file. Completed forms can be submitted via email with your participation request or send to Girl Scouts of Maine, Product Program, 138 Gannett Drive, South Portland, ME 04106.
