

Juliettes and the Girl Scout Cookie Program

Dear Girl Scout Caregiver,

Did you know that as a registered member of Girl Scouts, your girl can earn badges and learn essential life skills through in the Girl Scout Cookie Program?

By participating in the Girl Scout Cookie Program, your girl can experience amazing adventures to help broaden her world—a trip she'll never forget, a service project that will change her community forever, or the opportunity to learn, grow, and build a lifetime of memories at camp. She can even earn her Cookie Business and Financial Literacy badges!

The money earned from her cookie sales is placed in a special fund just for Juliette's. She may use the fund to cover any Girl Scout badges and pins she has earned or for Girl Scout trips and events.

The Girl Scout Cookie Program allows girls the opportunity to sell cookies in person and/or online. If you would like your Juliette to participate please contact productsales@gsmaine.org to get her added to our Smart Cookies digital platform. You must also complete the Juliette Annual Permission Slip for this Girl Scout year. If you haven't submitted one yet, you can find it online at www.girlscoutsofmaine.org/cookieresources under the "Just for Juliettes" drop-down. You can return it to us via email to productsales@gsmaine.org or mail to Girl Scouts of Maine, Product Program, 138 Gannett Drive, South Portland, ME 04106.
