2026 Fall Product Program Rewards Tracker

Hi Girl Scouts!

A new Girl Scout year is here, and that means it's time for the Fall Product Program. This year you can earn **rewards**, build new skills, and help earn funds for all the fun adventures and Girl Scout activities you want to do.

Look inside to see the rewards you can earn and use the game board to track your progress. On the back, you'll find a calendar with important dates. Add your own goal dates and mark off each day as you go.

The program begins September 18. Before then, make a list of 10 people who might like to support you—family, friends, neighbors, teachers, coaches, or anyone who cheers you on.
