

# Girl Scout Cadette, Seniors, & Ambassador Opportunities

## Teen Advisory Group (TAG)

The Teen Advisory Group (TAG) gives girls who are in 8th-12th grade the opportunity to serve as the girl-voice of our council. These young leaders play a significant role in shaping the ongoing program development work of GSME. Application opens annually in May. For more information, contact [customer care@gsmaine.org](mailto:customer care@gsmaine.org).

## Girl Service Team Member

Girl members provide valuable feedback on service team plans from the girl perspective, and offer insight into what girls currently want and need from their service unit.

- Service team girl members must be registered Girl Scouts in 7th grade and up.
- You'll work directly with the service team, in particular the program coordinator or another designated service team mentor based on areas of interest and team needs.

## National Council Delegate

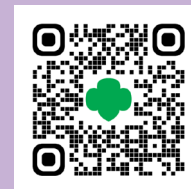

Every three years, members from each council in Girl Scouts of the USA (GSUSA) gather to conduct business on a national scale. Delegates will represent Girl Scouts of Maine at the triennial meeting of the National Council and other meetings as scheduled for the National Council Delegates during the triennium. The next National Council session is scheduled for 2026.
