

New Leader Q&A Sessions

You're invited to join our New Leader Q&A sessions throughout the year! These sessions take place on Zoom from 6:30-7:30 PM and are designed especially for new troop leaders, but all troop leaders are welcome.

Each session includes two parts:

- **Guest Speaker:** Each session begins with a guest speaker covering topics to support your troop leadership journey. This portion is recorded and will be available afterward in gsLearn, in case you can't attend live.
- **Open Office Hours:** The rest of the session is your time to ask questions, whether about that evening's topic or anything else related to running your troop.
