

When you show up for them, they shine!

Keep the friendship and adventure going. With you by their side, they're building a better world.

**Renew your membership at
www.girlscoutsofmaine.org/renew**

Help us keep the momentum going, and make sure that every girl in your service unit renews her membership for 2026.

Need a little incentive?

For every girl and adult who renews online before June 15, your service unit will receive 25 cents!

If that wasn't cool enough... your service unit will receive a \$50 gift card to the GSME Shop by meeting these two goals:

- 1 55% of both girls and adults renew online before June 15, and
- 2 80% of your local troops submit the Annual Troop Finance Report via the Finance tab in Volunteer Toolkit by June 15
